

**N. VROUYR**  
ANNO 1917

### **Kurdish Horse cover**

Circa: 1939

The patterns in this horsecover remind of Caucasian motives.

Kurds live all over the Middle East. They have a very old culture, and their carpet weaving has a strong reputation. In Iran their tribes are mostly concentrated in the area of Kermanshah, and Sanandaj, but due to persecutions they have also fled much more eastwards in Khorassan.
